齊來參與全球矚目之 頂尖印刷及包裝展覽

香港國際印刷及包裝展(印刷及包裝展)是一年一度的商貿盛事,2016年度展覽內容愈加精彩,雲集來自全球各地的業界領袖精英,加強彼此聯繫,共拓商機。展覽會由香港貿易發展局及華港國際展覽有限公司合辦,展出的印刷及包裝服務包羅萬有,包括卓越的嶄新意念。2015年度展覽盛況空前,匯聚破紀錄的420家參展商,為買家呈獻多元化產品和服務。

2015年展出十分成功,展品琳瑯滿目,來自111個國家及地區超過14,000名買家入場參觀。2016年度展覽延續2015年的佳績,繼續吸引來自不同範疇的決策層買家,尤其是印刷商、廣告公司、廣告製作公司、設計公司、零售商及輕巧消費品如電子、美容及飲食業產品等品牌管理層,前來參觀和採購各式各樣印刷服務及包裝方案,藉以提升企業產品的形象和市場競爭力。

市場規模 增長迅速

市場研究預期全球印刷業規模正在不斷擴張,生意總額於2017年將增至6,680億美元,中國內地更會成為全世界最大的印刷業市場,涉及的生意額達1,540億美元。目前,中國內地已經是世界最大的包裝物料出口市場,印刷品出口量亦高踞全球第二位,而香港擁有卓越的地理優勢,毗連中國內地這龐大市場,帶給香港的印刷及包裝公司很好的發展機遇。香港去年的印刷品出口按年上升4.2%,出口總額近25億美元。亞洲區印刷業務增長迅速,而香港位處商貿要衝,正是各大小企業進軍亞洲市場的跳板。

香港貿易發展局在印刷及包裝展期間,將同時舉辦香港貿易發展局香港禮品及贈品展,為買家提供更多相關採購選擇,藉以開拓更多合作機會。

針對所需 盡情採購

據香港貿易發展局的調查發現,買家特別感興趣的採購類別包括可生物分解的產品、無線射頻識別技術(RFID)、直接上架的包裝方案、3D印刷及數碼印刷服務。科技發展正不斷改變市場運作,這是不爭的事實,關鍵是如何洞悉先機,抓住急劇變化中的種種機遇。

為了配合市場發展,業界積極採用更多智慧型設備,有先進的鐳射排版機和電子彩色掃描器,以及電子頁面編排系統和自動整理系統。

此外,還有許多備受歡迎的相關產品,涉及不同範疇,包括過膠和模切技術、收縮包裝、燙印、安全印刷及電腦製版系統等。

裝飾標籤及印刷裝飾需求龐大,帶動高質素包裝市場不斷增長,行業面對著迅速的變化和挑戰。眾所周知,亞洲是包裝業發展的重要市場,生產商紛紛在區內建立業務網絡,愈來愈多公司同時把生產工序外判到中國內地,由當地企業負責有關產品的製造。

主題展區 深受歡迎

「高級包裝及印刷專區」及「綠色印刷及包裝方案展區」兩大主題展區深受讚許,吸引大批買家,2016年將載譽重來,繼續成為展覽會的亮點

高級包裝及印刷專區

全球的高端消費品市場不斷擴大,生產量激增,相應的包裝需求亦隨之上升。目前,優質的高級包裝大受歡迎,為不同企業所樂用,廣泛地用於珠寶、鐘錶、飲食業、保健醫療、化妝品、家居及快速流轉消費品。

買家要洞悉先機,了解最新包裝產品特色及市場變化。另一方面,供應商不時推出各種嶄新產品,令產品包裝更加美輪美奐,並積極提升容易腐壞及容易損壞物料的應用和功能,配合實際需要。

「高級包裝及印刷專區」規模不斷擴大,展出各式各樣高級包裝方案,以及大量創新物料和相關產品,內容非常豐富。

綠色印刷及包裝方案展區

可持續發展是生產企業進一步開展業務的重點所在,印刷及包裝展讓大家可以一起探討及了解這個市場趨勢。多項專業研究顯示,全球可持續包裝產品市場規模於2018年將擴大至2,440億美元,確是業界同儕不容忽視的發展方向。

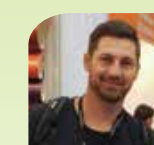

大家引頸以待的「綠色印刷及包裝方案展區」切合強勁的環保需求,有助企業開拓新商機。2016年展區規模將大幅擴充,展示更多種類產品,並為包括可循環再用包裝、創新包裝物料以及綠色印刷方案在內多個產品類別設計嶄新的展位,添置獨特環保綠色裝飾,加強整體展覽成效。

內容精彩

大會於印刷及包裝展期間舉辦一連串研討會、論壇及交流活動,讓業界領袖和代表獲取最新市場訊息,並趁此良機加強溝通和聯繫。

莫失良機:無論公司業務是從事包裝業務、創意設計的企業,還是提供可持續物料或防偽服務方案,印刷及包裝展正好為閣下帶來龐大的發展機遇,實在不容錯過。請立即登記和預留展位,一起把握良機,拓展業務。

Buyers' comments 買家評語

Ryan Herbst
Director, Paksmart, South Africa
南非 Paksmart 董事

"Paksmart is a leading supplier of packaging products in South Africa, providing various solutions for manufacturers and retail operators. We are visiting Hong Kong International Printing & Packaging Fair for the first time to expand our business. We focus on finding new suppliers of food-related packaging items, both paper and plastic, at competitive prices. So far, we've established contacts with about 30 exhibitors mainly from Hong Kong and the Chinese mainland. We hope to shortlist and finalise business with five or six of them. If things work out smoothly, potential orders can be up to several million Hong Kong dollars a month. This fair has been well organised with a lot of interesting items on offer."

CIEC Exhibition Company (HK) Limited

Join the world's premier cutting-edge printing and packaging fair

Industry leaders will converge on the Hong Kong International Printing & Packaging Fair 2016 jointly organised by the Hong Kong Trade Development Council (HKTDC) and CIEC Exhibition Company (HK) Limited. The fair is guaranteed to be filled with excitement and innovation. A record breaking of 420 exhibitors from around the globe joined the 2015 edition.

With so much on offer, the fair achieved massive popularity with more than 14,000 buyers coming from 111 countries and regions seeking leading-edge offerings from the industry. As in the previous editions, the 2016 fair gathers decision makers from publishers, advertising agencies, production houses, design companies, retailers, as well as brand owners of light consumer goods such as electronics, cosmetics and F&B products etc, all of whom are coming to source printing services and packaging solutions that provide their products with a commanding market position.

A rapid growth segment

Research shows that total global print revenue will reach US\$668 billion in 2017, and that Chinese mainland is projected to be the largest print market at US\$154 billion. Local printing and packaging companies benefit from Hong Kong's proximity to the Chinese mainland, the largest export market for packaging materials and the second-largest market for printed matter. Last year, the value of Hong Kong's total exports of printed materials to the world grew 4.2 per cent year-on-year to almost US\$2.5 billion. The rise of this industry in Asia underlines Hong Kong's vital position at the center of the region, providing a springboard to the Asia market.

In an advantageous synergy, the event is being held in tandem with the HKTDC Hong Kong Gifts & Premium Fair, which allows for even more variety in sourcing and collaboration.

Maximize exposure for your expertise

According to our research, buyers are keen to look into sectors such as biodegradable materials, RFID, shelf-ready packaging, 3D and digital printing. We all know that technology is rapidly changing the industry. The key is being at the forefront of these changes.

For example, advanced lasers, electronic color scanners, electronic page composing systems, and automatic finishing systems are examples of where the industry is going.

Other products trending in the industry include lamination, die-cutting, shrink-wrapping, hot-stamping, security printing and computer to plate systems.

With decorative labels and printed finishes propelling a growing high quality packaging market, movement in the industry is fast and furious. And it goes without saying that as Asia is now a vital market for packaging, manufacturers must have a presence here, with production being increasing by outsourced to Chinese mainland.

Highlighted zones growing from strength to strength

For the 2016 edition, two popular theme zones: **De Luxe Zone** and **Green Printing & Packaging Solutions Zone**, return in response to high demand.

Luxury packaging @ De Luxe Zone

The globe is seeing veritable explosion of high-end luxury production, and packaging is no exception. Luxury packaging is a coveted item in jewellery, watches, F&B, Healthcare and Medical, Cosmetics, Household Products, and FMCG, among other industries.

Aside from learning about what is possible, buyers need to know how the industry is changing as well. Vendors are constantly devising new materials that offer beautiful aesthetics while enhancing functionality for perishable or damageable materials.

In the ever-expanding De Luxe Zone, a great variety of premium packaging products as well as innovative materials and auxiliary products will be featured.

Meeting green trends @ Green Printing & Packaging Solutions Zone

Sustainability is a market essential for producers, and the Hong Kong International Printing & Packaging Fair is the place to learn all about it. Reports indicate the global market for sustainable packaging will reach US\$244 billion by 2018, meaning this is a growing sign for every industry players to note.

Tapping into this environmentalism is the widely anticipated Green Printing & Packaging Solutions zone that is going to be greatly expanded to show more product categories. Recyclable packaging, innovative packaging materials and eco-friendly printing solutions will be enhanced with special booth design and green décor.

Diverse elements come to life!

The Fair also features a series of seminars, forums and networking activities for industry players to grasp latest market intelligence and network with each other. Don't miss this unique opportunity to be at the heart of the action!

Book an exhibition space now! No matter if your company's cutting-edge is in packaging, creative design, sustainable materials, or anti-counterfeiting solutions. The Hong Kong International Printing & Packaging Fair has all the business opportunities ready for you.

Exhibitors' comments 參展商評語

Philip Chan 陳志剛
Assistant Director, Business Imaging Solution Group, Canon Hongkong Co., Ltd., Hong Kong
香港佳能香港有限公司商務影像方案部副總監

"Canon is making a debut exhibition at Hong Kong International Printing & Packaging Fair to promote our latest printing technologies. Our Océ Arizona 365GT UV flatbed printer is in the spotlight as we present this advanced equipment with groundbreaking technology that allows precision printing on rigid materials such as ceramic tiles, wood, wallpaper, canvas and aluminum panels. It can cater to the needs of packaging as well as photographic and interior decor businesses. This is a great platform to showcase this new device and we've drawn extensive interest from visitors and industry players, and the response has been better than expectation. Canon is committed to working with all business associates and industrialists to grow together. We're very pleased to be here exploring new opportunities. We have strong confidence in the organisers' professional organisation and everything is managed so well."

「佳能香港今年首度參與香港國際印刷及包裝展，推廣最新印刷科技，特別介紹型號Océ Arizona 365GT UV平板打印機，此系列先進打印機跨越打印技術的新領域，可於不同物料上打印，例如瓷磚、木材、布料及鋁金屬板，切合廣告、攝影及室內裝飾等各種行業需要。這裡是展示這最新打印機的最佳平台，大批業界及參觀人士大感興趣，反應比預期更熱烈。佳能香港致力與所有業務夥伴及廠家共同努力，發展業務，很高興與前來參展並開拓商機，我們對主辦機構的專業安排很有信心，整體流程非常暢順。」

Jonathon Chan 陳錫富
Sales Manager, Advance Label Ltd., Hong Kong
香港捷達膠貼有限公司銷售經理

"In business since 1967, Advance Label specialises in printing adhesive labels for different industries. We've been participating in Hong Kong International Printing & Packaging Fair for 10 years and found it an effective platform to get new buyers and grow business. We can always secure at least three or four new customers every year to bring in additional revenue. The exhibition results have been encouraging over the decade. We are showcasing our great variety of labels, stickers and small-sized packaging boxes again this year. Many buyers have shown particularly strong interest in peel & read labels, probably because of stricter rules on trade descriptions across the globe. POP stickers are also in demand. We've met with a number of local and overseas buyers including companies from Germany, UK, Spain, Italy, USA and Asia. In general, about 15-20% of new business can be attributed to business contacts made during the exhibition."

「捷達膠貼成立於1967年，一直以來為各行各業提供多元化的膠貼標籤產品。公司十年來都有參與香港國際印刷及包裝展，藉著這高效平台尋找買家及擴展業務，每年最少找到三至四位新客人，增加生意額，這些年展出成績均令人鼓舞。今年再度展出各式各樣標籤、膠貼及小型包裝盒，很多買家對Peel & Read 揭頁標籤特別感興趣，這可能與全球商品說明條收緊有關，而POP膠貼也大受歡迎。我們結識了大批本地及海外買家，包括來自德國、英國、西班牙、意大利、美國及亞洲的客戶，將進一步洽商。一般來說，在展會找到的新買家，可為公司帶來約15-20%額外生意。」

Manage your participation – with just a click 參展事宜 一按即妥

- Our online service, Exhibitor Online Platform (EOP), makes managing your exhibition-related matters convenient, quick and efficient.
- Submit booth application online, with immediate acknowledgement from HKTDC
 - Track application status and update information online anywhere, anytime
 - Receive fair-related information and reminders in timely fashion
- Apply for a booth online at www.hkprintpackfair.com now!
- 大會現已推出「參展一站通」網上服務，協助業者辦理參展事宜，便捷有效。
- 上網遞交參展表格，本局即時發出申請收悉通知
 - 隨時隨地上網檢視申請進度及更新資料
 - 第一時間獲得最新展覽資訊及備忘
- 立即行動，登入展會網站 www.hkprintpackfair.com/tc 申請參展。
